- *Lighting package consists of front work lights, front LED flashers and rear turn signals/flashers*
- *Fits Groundsmaster 360 4WD models 30537 and 30539 only*

## **All-season performance, 365 days of the year.**

The ultimate Groundsmaster 360 Quad-Steer is the one you can use year round. Meet the Groundsmaster360 Quad-Steer 4WD with either an all-season safety cab or a winter only removable enclosure. Your operators will stay safe, comfortable and more productive in all kinds of weather. What could be better? How about adding the optional front Quick Attach System (QAS), so one person can change seasonal attachments like a snow thrower, rotary broom or angled snow blade in less than a minute, with no tools required. Talk about versatility!
